Sierra Council is made up of 11 clubs from Northern California and Nevada representing 1200 Alpine and Nordic skiers and snowboarders.

It is a non-profit organization formed to promote snow sports, racing, and other recreational activities for members and guests. Sierra Council takes an active interest in the development of snow sports as healthful outdoor recreation, and is committed to community service, contributing to charitable organizations such as the University of Nevada, Reno Ski Swap, the Special Olympics Winter Games, and the Pacific Burn Unit.
