

Sierra League & Council/ FWSA Ski Week 2023
Jackson Hole Resort and Snow King Resort
Jackson, Wyoming
January 21 - January 28, 2023

- Jackson Hole Ski Resort is amazing with 133 trails. The mountain offers a variety of terrain including extreme leg burners, stash parks and rolling blue groomers. You can ski from 10,450 feet down to 6,311 feet in one run! The resort will be on the **IKON** pass next season and if you purchase your pass through our tour operator at <https://go.tripstorm.app/#!/22ikonfwsa> you will receive a discount on your Ski Week package.
- Our lodging options are in the town of Jackson at the **Snow King Resort** and **Elk Country Inn**. The ski mountain and our rooms are well connected by a 15-minute bus ride on the public bus system and shuttles offered by our hotels.
- Town has plenty of nightlife, shopping, and great restaurants. All our lodging choices are a short walk from the action. Wooden sidewalks, hitching posts and western saloons, contribute to the “Wild West” atmosphere. Have you heard of the *Million Dollar Cowboy Bar*??

Registration forms and additional details are available on the Sierra League & Council website at <http://www.sierraleague.com> or contact your trip leader, Carlene Boutacoff for a packet at cboutacoff@gmail.com .
